ABOUT BHARATIYA CHHATRA SANSAD INDIAN STUDENT PARLIAMENT

Mahatma Gandhi, our Revered Father of the Nation, once imparted the timeless wisdom, **"BE THE CHANGE YOU WISH TO SEE."**

In contemporary times, we frequently discuss the transformations we desire in governance, yet often fall short in contributing where it is most needed. The realization of a government that authentically represents the resurgent youth of India may seem distant unless motivated, educated, and equipped young men and women actively engage in political and democratic processes.

The Bharatiya Chhatra Sansad stands as a pivotal institution, both in Bharat and across the globe, playing a vital role in reshaping the mindset of the youth and stoking their passion for entering public life through politics. Their goal is distinctly aimed at serving the nation. Importantly, this movement remains steadfastly apolitical and refrains from engaging in mainstream party politics. Instead, it serves as a catalyst for transforming the perspective of the youth, reaffirming their faith in democracy and its institutions. It bolsters their participation, interest, accessibility, and influence in political and democratic avenues. Furthermore, this platform effectively bridges the gap between political parties and the aspiring youth eager to choose a career in politics with unwavering commitment.

Dr. Rahul V. Karad
Founder, BCS

Bharatiya Chhatra Sansad

has created a youth movement by connecting thousands of youth across the nation with hope and assurance. Politically and socially active students from 450 universities from all states of Bharat go through a rigorous selection process adopted by their colleges independently and 10000 - 12000 of them finally get an opportunity to participate in the flagship annual conclave of BCS. These young leaders are engaged in absorbing academic sessions to discuss and deliberate on a wide range of significant issues. A number of political leaders, thought leaders, intellectual giants, industrial leaders and youth icons of national and international eminence, from all walks of life and spectrum of ideologies provide them the context, analysis, courage, insight and perspective so that they can dream bigger, see clearer and speak louder.

MISSION

To create ethical, spirited and competent public leadership in the country, which will shape our policies, make our democracy vibrant and bridge the chasm between the way we are being governed and the way we want to be governed.

VISION

To ignite the spirit of politics in the youth of today and inculcate public spirited and socially sensitive values during their formative years. We aim to raise the extent of sensitivity, awareness, involvement, responsiveness, access and say of youth in political and democratic processes so that a healthy democratic system is evolved to produce competent public leaders and policy makers, from the grassroots and from all walks of life.

WHY PARTICIPATE IN BHARATIYA CHHATRA SANSAD

OBJECTIVES

- Connect Politically / Socially active youth of Bharat on one platform for the common purpose of strengthening democracy and to inculcate a national vision.
- Create in them respect for politics, political leaders, democracy and its institutions and train them for future leadership of the country.
- Raise their awareness, intellect and sensitivity to social & political issues, encourage and motivate students to embrace public life in service to the nation.
- Promote national and regional understanding, inter-cultural dialogue and diversity of ideas and practices.
- Contribute to the personal skills development of Bharat's youth.

- Provide a forum in which young people can express their own opinions, interact with eminent personalities from different spectrums of life, take pledge to uphold democratic values, pass resolutions for social good and submit it to the government for consideration and action.
- Create energetic 'ambassadors' of democracy to replicate the democratic values and influence their peers who are not participants of BCS.

IMPACT

- All the resolutions passed at the annual national conclave are compiled as the 'Declaration' of the Bharatiya Chhatra Sansad and are submitted to the relevant policy making bodies of union and state governments. The relevant resolutions are also submitted to the United Nations and UNESCO for their cognizance.
- Participants are provided with the opportunity for a 10-day National Study Tour to Delhi, wherein they are exposed to various democratic institutions of national importance. Interactive sessions are held with constitutional authorities, political leaders and leaders from media sector.
- BCS also develops Entrepreneurial spirit - Conceptualize and establish one's own NGO or political party to transform specific areas in the Socio-Political arena.
- Based on the ideological affinity and interest, inclined, equipped and bright minds are sifted every year to undergo short term political leadership training program at the MIT School of Government. The BCS platform acts as a bridge between the Political Parties and Spirited Youth to provide sensitive and groomed leadership to the country.
