About University

The Rajiv Gandhi National Aviation University (RGNAU) has been established by an Act of Parliament called the Rajiv Gandhi National Aviation University Act, 2013 at Fursatganj, Dist. Amethi, Uttar Pradesh. The university has been envisaged as the premier institution of higher learning within the aviation milieu aimed at providing cutting edge and critical research to enhance the aviation industry in India.

The Act of Parliament empowers the university to award Diploma, Degree, and Post Graduate Degrees in the field of civil aviation. At the same time collaborations with the leading international universities/ institutions in the aviation domain, are being forged towards proffering global knowledge that is customized to local requirements.

Objectives of the University

1. The objective of RGNAU is to facilitate and promote aviation studies, teaching, training, research and by extension work in conjunction with the industry to achieve excellence in operations and management of all the sub-sectors within the aviation industry. The university intends to offer a number of courses as required to bridge the skill gap within the Indian Aviation industry at present as well as taking into consideration future requirements.
2. The university is conducting a number of EDPs/ MDPs to provide updated knowledge for mid-level and senior aviation professionals already engaged in their professions. The bouquet of courses offered as part of the EDP/ MDP framework shall be tailored to suit the requirements of the Indian Aviation industry while providing them with a certification that is globally accepted as a benchmark for their respective sectors/ sub-sectors.
3. The common theme that the university shall follow in all of these programmes would be that of undertaking research on problems that the industry faces. The university shall commit academic resources to resolve these business problems so as to not only provide business solutions, but also to stay relevant to the Indian aviation industry while realizing the trust reposed in it by the Ministry of Civil Aviation.

The establishment of the university is to facilitate and promote through aviation management, aviation science and technology, aviation medicine, safety and security through teaching, training, research and by extension work in conjunction with the industry to achieve excellence in operations and management of all the sub-sectors within the aviation industry. The university intends to offer a number of courses as required to bridge the skill gap within the Indian aviation industry considering the present and the future requirements.

Our Vision

"To emerge as a foremost global leader in aviation education, research, and innovation, inspiring and empowering the next generation of aviation professionals."

Our Mission

"Our mission is to cultivate excellence, safety, and sustainability within the aviation industry through pioneering research. We are committed to fostering diversity and inclusivity, shaping a future where aviation thrives with enhanced safety, efficiency, and environmental responsibility."

INTERNSHIP WITH AAI AIRPORTS ACROSS INDIA : MOU (Pradipti)

- Rajiv Gandhi National Aviation University (RGNAU), Fursatganj, Amethi (UP), and Airports Authority of India, New Delhi, have recently signed a Memorandum of Understanding (MoU) on the 18th of June, 2024. This MoU aims to foster interest in Civil Aviation among students by providing them with practical exposure to complement their theoretical knowledge, allowing them to gain insight into STEM (Science, Technology, Engineering, and Mathematics) and non-STEM domains, and offering opportunities to work on short-duration projects related to Civil Aviation.
- This partnership between RGNAU and the Airports Authority of India opens up new avenues for students to gain valuable hands-on experience in the field of Civil Aviation. By facilitating internships at airports, students will have the opportunity to apply their classroom knowledge in real-world scenarios, enhancing their skills and preparing them for future careers in the aviation industry.
